BAY ST. LOUIS, MISS., FRIDAY, SEPTEMBER 12, 1947

VOL. 56 — No. 37

Observations... From Around Town

(BY JAY WHOZIT)

The announcement last week that the local Farmers Cooperative Creamery had been sold to Roemer Dairies of New Orleans, should come as welcome news to the dairy farmers of Bay St. Louis and Hancock County, and it is hoped that they will cooperate with the new owners in order to assure its success.

Felix "Doc" Blanchard paid a surprise visit to friends here on last Friday and Saturday, while enroute to Randolph Field, in San Antonio, Texas, where he will continue his Army career, as a Lieutenant in the Army Air Corps.

Coaches Guillory and Burge, of Bay High and St. Stanislaus, respectively, report their teams shaping up well for the opening of the local gridiron season, two weeks hence.

On Saturday morning at 10 o'clock, bids for construction of the local Valena C. Jones colored high school building, will be opened for the third time, and it is hoped that the contract will be awarded this time, so that this much-needed project can be completed.

The rat control program is scheduled to begin this week, if the public will cooperate with those in charge, the undertaking will be assured of success.

Disabled veterans desirous of enrolling in the Automobile Mechanic Helper Course being offered by the local Public Schools and the Gulf Coast Trade School, may do so now—see official notice elsewhere in this issue.

The American Legion has begun a drive for renewal of present memberships and for new members, and it is hoped that all veterans will join this enterprising organization.

The motorcycle accident at Henderson Point this week, in which two men were seriously injured, reminds us again of the danger of these vehicles on the city streets, running at high speed, especially at night.

A meeting has been called for Friday evening, September 19th, at eight o'clock, at the K. C. Hall, at which time an effort will be made to organize a Women's Auxiliary for the local American Legion Post, all women in their family are asked to be present.

Bay St. Louis schools opened this week with a record enrollment of nearly 1400 students, necessitating the addition of several new teachers.

Slick Morton, former Stanislaus Football coach, is now head coach at Virginia Military Institute.

Henry "Zeke" Bonura is manager of the Stamford, Connecticut baseball team, on which there are six Negro players.

Incidentally, is now participating in the Shaughnessy playoff in their league.

The state of Mississippi received this week a Federal allocation of \$1,795,903.00 for free school lunches for the 1947-48 session.

President Truman has been asked to call a special session of Congress to do something about the soaring food prices; with eggs at 72¢ per dozen, butter \$1.00 per pound, etc., something will have to be done to help the salaried man and his family.

The Bay High PTA and the S.A. Mothers' Club, held their first meetings of the ensuing school year this week, and outlined their programs for this session.

Dates and bag limits for the coming hunting season will be found elsewhere in this issue.

ROCKACHAWS OF ST. STANISLAUS IN TRAINING

After two weeks of training the Rockachaws of St. Stanislaus are beginning to shape into a prospective team. Coaches Burge and Thames both have their hands full to determine a starting line-up for the first game against Ponchatoula, September 26th.

Ray Benvenuti is the only regular from the 1946 squad to return this season. There may possibly be one or two more who may return, but that seems to be more a wish than a reality.

Felix "Doc" Blanchard dropped in last Saturday to see the hopefuls for 1947. Doc is looking in the pink of condition. He is on his way to his new assignment at San Antonio. Coach Burge has been working with the following for the past two weeks:

Ends: Ray Benvenuti, F. J. Farrell, Gary Gilmore, Mickey Dolan, and Victor Maumus.

Tackles: Walter Cleveland, Anthony Pitalo, Ray Hagmann, Norton Haas, Jimmy Lusk, and Luke Caruso.

Guards: Phil Kergosien, Walter Egan, Robert Le Blanc, Adrian Lamkin, Robert Hearn, Jack Carter.

Centers: Frank Johnson, Miguel Kenning.

Backs: J. D. Abadie Joseph, David III; Buddy Laughlin, Charles Daigle, Van Fayard, John Piazza, Walter Turcotte, C. Lender, Rogers Rieneke and Anthony Caranna.

EXECUTIVE BOARD OF CENTRAL SCHOOL P. T. A. MEETS

The executive board of the Central School P.T.A. met on Saturday afternoon at the home of Mrs. C. C. McDonald with Mrs. A. J. Noto, incoming president of the organization, presiding. A brief drill on Parliamentary procedure was given by Mrs. McDonald, parliamentary for 1947-48.

Quite a number of fine points of work for the year came up for discussion among which was the matter of the provision for the grade rooms of material for the teaching of that important subject—reading. Several of the teachers took a refresher course in teaching of reading this summer and are eager to put what they have learned into effect if funds for material are forthcoming.

Football Games Two Weeks Away

Local football fans will be provided a double treat in just two weeks when both local teams square off against opponents in Bay St. Louis.

On Thursday night, Sept. 25, the rejuvenated Bay High Tigers under Coach Ellis Guillory meet Pasca-Goula.

Coach Guillory isn't making predictions as yet, but arm chair quarterbacks are astounded at the spirit his boys are showing. Most of his Tigers are inexperienced, but seem to be rounding into shape rapidly.

Coaches Pete Burge and Dick Thames at Stanislaus are working like mad to get their boys into shape for Ponchatoula here on Friday night, Sept. 26. Losing some fine players from last year's team they are rebuilding around only two let-terms, Ray Benvenuti and Red Reinke. With a team not quite as heavy as last year, Coach Burge is counting on speed for this season.

CENTRAL SCHOOL PTA HOLDS FIRST MEETING OF PRESENT SESSION

The Central School P.T. A. held the initial meeting of the year in the music room of the school on Tuesday afternoon with the following 1947-48 officers in charge: Mrs. A. J. Noto, president; Mrs. T. E. Robin, vice president; Mrs. F. E. Witter, secretary; Mrs. Sam Whitfield, treasurer; Mrs. C. C. McDonald, Parliamentarian.

Mrs. H. Grady Perkins, program chairman, presented Mrs. John Collier, supervisor of school lunches, who gave a report on the work in the course offered this summer at the University of Mississippi which she took. Mrs. Collier said that the course offered work in planning of meals, nutrition and the importance of parents visiting the lunch rooms and seeing that the children bought and ate a balanced lunch.

A reception for the faculty members, complimentary to the new members, will be held at Hotel Reed on September 23 at 8 p. m. It has been the rule or custom of the P.T. A. to open the year's work with a reception to the teachers.

Mrs. C. C. Stone, membership chairman, is enthusiastic about the number who will enroll as members this year. Other board members are: Mrs. Wayne Allison, hospitality; Mrs. Albert Biehl, magazine; Mrs. H. W. Moore, Budget and Finance; Mrs. F. J. Nelson, historian; Mrs. Perkins, program; Mrs. C. C. McDonald, Parliamentarian; S. J. Ingram, Legislation chairman; Miss May H. Edwards, publicity.

On Tuesday the attendance prize was won by the senior class, which was a very nice gesture on the part of the parents.

Charles Traub, Jr., Dies At Home of Parents

Charles Traub, Jr., 41 years of age died on Tuesday, September 9 at 6:45 p. m. at the home of his parents, Ex-Mayor and Mrs. Charles Traub in Dunbar avenue. His body was taken to New Orleans and the funeral was held Thursday, September 11 from the Laudumey Funeral Home. Interment was in St. Louis cemetery No. 3.

Surviving are his wife Irene Bosarge Traub, a son, Charles Traub III and a daughter, Yvonne. He also leaves his parents and a brother, Warren Traub, all of Bay St. Louis.

Mr. Traub came to Bay St. Louis with the family when still a boy and had a wide circle of friends and acquaintances. He served the Merchants Bank and Trust Company as cashier for several years under the late George R. Rea, and later was with the Peoples Federal Savings & Loan Association with Mr. Rea. Following the death of Mr. Rea he went to New Orleans but his health failed him and he has been inactive for some years. A good man has gone to his reward.

John Davis Radford, 12, Bitten by Snake

John Davis Radford, 12 year old son of Mr. and Mrs. Oliver Radford, was bitten by a moccasin at his home on Sunday evening. John had gone into the yard to put the dogs up for the night and stepped on the snake, which struck him on the base of the big toe. Mr. and Mrs. Radford were away from home but the two employees of the Radfords who stay on the place, with the help of Mr. Radford's mother rendered first aid and Mrs. Floyd located John's parents and a physician in a short time. Reports from John are to the effect that he is doing fine though still a little uncomfortable.

All Local Schools Crowded

Bay St. Louis can probably claim the title as the most educated little town in this part of the country. Incomplete reports show St. Stanislaus with 405 students, St. Joseph Academy with 315, and Bay St. Louis City Schools, 650.

With a population of approximately 4500 people, Bay St. Louis will have nearly 1400 children receiving their education within its confines. At present, Bay St. Louis has had to add one extra teacher with probably another having to be added.

Both Stanislaus and St. Joseph academy with many boarders, are filled to capacity.

Join The Order of The Sisters of St. Joseph

Patricia Favre, daughter of Mr. and Mrs. Forrest Favre of this city and graduate of St. Joseph Academy in the class of '46, Norma Garcia, daughter of Mr. Albert Garcia and the late Mrs. Garcia, and S. J. A. graduate class of '47 and Mary Jane Dolan of Biloxi, S. J. A. graduate class of '46, all left this week to enter the sisterhood of the Order of St. Joseph. These young ladies have chosen well in their profession and doubtless through them many young girls will be guided in the right paths of life.

LOCAL TRADE SCHOOL NOW OPEN TO DISABLED VETERANS

The Automobile Mechanic Helper Course presently offered by the Bay St. Louis Public Schools and Gulf Coast Trade School has been recently approved by the Veterans Administration to train both White and Colored Disabled Veterans of World War II.

Any Veteran holding letter of approval from the Veterans Administration Guidance Center, Mississippi Southern College, Hattiesburg, Mississippi, who desires to enter training should report on September 15, 1947, at 12:30 P. M., at which time a representative of the Veterans Administration will be present.

Disabled Veterans who have not to date been certified for training should file Veterans Administration Form 1900 with the Jackson Regional Office of the Veterans Administration. Those desiring assistance should report either to the American Red Cross Office in the Court House Building, or directly to the Manager of the Gulf Coast Trade School.

AMERICAN LEGION NEWS

The State headquarters of the American Legion have begun a special membership drive in all of the Legion Posts of the State and in this connection, the Clement R. Bon Temps Post No. 139 of this city has begun their drive for membership renewals as well as new members.

The old memberships expire on October 1st, 1947 and it is anticipated that a good many new members will be brought into the organization as the drive progresses. Two teams have been organized in the local post and will compete against each other, their efforts being rewarded by suitable prizes to the winners.

The sale of tickets for the raffle of the Ford DeLuxe automobile as first prize and the mahogany boat, motor and trailer as the second prize has dropped off somewhat and this is again reminder that tickets can be purchased from any Legionnaire or at Dickson's Drug Store, Orthe Theatre, Trapani's Knock Knock and Wilmer's Grocery. Both of these prizes are well worth taking a chance on. Further, it means that the quicker the tickets are disposed of, the quicker Bay St. Louis will have the PUBLIC PIER which is so vital to the entire community in that our visitors are forced to go elsewhere to enjoy themselves and consequently our merchants lose quite a bit of business.

Circle No. 3 of Womans Society of Christian Service Sponsors Dinner

Circle No. 3 of the Womans Society of Christian Service of the Main Street Methodist Church, Mrs. J. H. Thompson, circle chairman, sponsored a dinner on Thursday evening of last week at the home of Mrs. A. J. Noto.

There are four circles of the society who are responsible for the raising of funds for local work and missions and Circle No. 3 is grateful for the splendid patronage given the dinner and for the assistance rendered them in serving by Mrs. W. L. Bourgeois, Mrs. Horace Farr, Mrs. L. A. Rogers and Mrs. L. C. Carley.

Members of the circle are: Mrs. Thompson, Mrs. Noto and Mesdames C. M. Shipp, J. D. Vaughn, D. T. Ryce, John Osoinach, W. W. James, N. C. Erwin, Dennis Tonkel, Elizabeth Jenkins, Sam Whitfield, and Miss Florence Dickson.

Returns From Africa

Brother Constantius S. C. order of the Brothers of the Sacred Heart, has returned from Africa where he has lived for eight years to teach at St. Stanislaus. He has been at Uganda a British protectorate in the African interior where he taught secondary school classes to natives.

Brother Constantius' home is in Raceland, La. He joined the order in 1926 and studied at Thibodeaux College, a seminary at Metuchen, New Jersey, and at Loyola University in New Orleans. He is visiting his brother Lynn Toups, 5312 Magazine street before coming here to assume his duties at St. Stanislaus.

Bay High Band Director Organizes Band And Elects Officers

George Wimberley, newly elected band director for Bay High, has organized his band and elected band officers for 1947-48: Jane Ann Martin, president, Lloyd Johnston, vice president, Curtis Taroni, secretary, John Ladner, treasurer, Gloria Biehl, publicity agent, Marie Parker, Mary Margaret Johnston, Lucie Kingston, librarians.

Indication are that Mr. Wimberley will have a busy and satisfactory season with the band.

THE GULF COAST ASSOCIATION, ITS ORGANIZATION, AIMS AND PURPOSES

When the Louisville and Nashville Railroad Company issued a tariff cancelling commuters fares between New Orleans and the Gulf Coast, the business men of the Coast section who commute daily to New Orleans organized the Gulf Coast Association for the purpose of being able to present a united front in their fight before the Interstate Commission for the cancellation of this tariff and for the continuance of the old rates that have been in effect for many years. Realizing that their association could serve a multiple of purposes for the advancement of the Coast Section it was decided to make it a permanent organization, and they have elected a Board of Directors and officers of the association.

The dues of the association are three dollars per year, and the hope is that many of the residents of the Coast will join the organization even though they are not commuters. With the Gulf Coast Association functioning and with our other civic organizations we can certainly put up a united effort for things that are worthwhile for the Mississippi Gulf Coast.

The dues are nominal and certainly most of the residents can afford the small sum of \$3.00 per year. Mail your check either to Mr. J. M. Seegher, the president of the association or to Mr. Edward M. Brignac the Treasurer.

For your information we are giving below the aims of the Association.

1. THE GULF COAST ASSOCIATION was primarily organized by a group of men and women all of whom are civic minded citizens of this section who have seen the harmful economic effect that would develop if low advantageous transportation rates were withdrawn by the railroad company whose lines traverse the Mississippi Gulf Coast section, sensed the need of this organization.

2. At the time of publication of this pamphlet the Association has succeeded in the postponement of the policy promulgated by the transportation company and it can reasonably be said there will be a substantial modification in the proposed rates as a result of the GULF COAST ASSOCIATION'S effort.

3. Because of the type of citizenry who constituted the Officers and Board of Directors of the Gulf Coast Association there has been a spontaneous response on the part of the citizens of our entire Gulf Coast section who sensed the need of such an organization in its relation to all matters of public interest that may have to do with better life and better living for the present generation and generations to follow us and who with such an organization would have a "Community Mouthpiece by which the Voice and Influence would be heard When We the People Speak."

4. Already during the very short life of the Gulf Coast Assn. two matters of public concern have been undertaken, both of which subjects will terminate satisfactorily and advantageously to the citizens of the respective communities that brought their complaints to the attention of the Gulf Coast Association.

5. There is no section of our great country which can boast of any more God fearing, cultured, intelligent and patriotic group than the citizenry who make their residence along the Mississippi Gulf Coast.

6. Having these two advantageous elements with which to deal, there is no good reason why this magnificent citizenry should not join together and by sincere co-operation of the good folks along the Mississippi Gulf Coast and by such effort express through their forceful organization the Gulf Coast Association "The Voice of the People, the Wish of the People and the Need of the People." Not only for the benefit of you and I and we of the present generation, but so that our children and children's children and all the way down the line of progeny, so that they too will benefit as we have benefited as a result of the vision, fortitude and determination who conceived the precepts of our Constitution and saw to it that laws emanating therefrom were created, enforced and respected so that all of the people should benefit.

7. We do not wish you to infer that we have a quarrel with any person, group or faction: to the contrary it is the purpose of our organization to co-operate in every possible way, being practical in our view points and in the administration and exercise thereof.

8. None of us due to the present unrest and the so-called strange economy that we are now experiencing, and therefore, taking as our text the suggestion of the average person on the street whose conventional remark inquires, "What can I do about it?" each citizen knows as an individual that Mr. Average Citizen or any single citizen anywhere, any place can do anything about it but as a group patterned

AMERICAN LEGION WOMENS AUXILIARY TO BE ORGANIZED

On Friday evening September 19th, 1947 at 8:00 P. M., in the K. C. Hall a womens auxiliary of the American Legion Post will be organized and all mothers, wives and sisters of ex-cervice men are cordially invited. One of the department officers from another ladies auxiliary will have charge of the organization. Officers of this local post will be elected at that time and it is hoped that a large crowd of ladies will be present at this meeting.

F. H. A. BUILDERS ASKED TO CONTACT HEALTH DEPT.

Due to the large number of houses being constructed under F. H. A. rules and specifications, the Hancock County Health Department feels it necessary to ask all builders to contact them concerning sewerage disposal systems. The regulations concerning these systems are rather stringent, and much time and expense can be saved if plans are secured in advance. The plans can be obtained in the office of the Health Dept.

Christ Episcopal Guild Meeting Of Last Week

The young women of Christ Episcopal Church Guild met one evening last week at the home of Mrs. Shelby Tucker for the purpose of organizing a branch guild for the women with small children and women who are employed, to meet at night and thus give these young women opportunity to attend.

Plans for this guild were discussed and a meeting is scheduled for the night of October 1 for the purpose of organizing and electing officers. It is important that there be a large attendance at this meeting.

ANNOUNCE ENGAGEMENT OF DAUGHTER

Mr. and Mrs. Albert Biehl, Sr., announce the engagement of their daughter, Audrey Lee, to Mr. George Kiernan Carr, son of Mr. and Mrs. W. T. Carr, Sr., of McComb, Mississippi. The marriage will take place on Saturday, September 20, 1947, with a nuptial Mass at 7:00 a. m. at our Lady of the Gulf Church, with the Very Rev. Msgr. A. J. Gmelch, officiating.

Friends are invited to attend the Mass. There will be no reception as the young couple will leave shortly after the ceremony. Their future home will be established in New Orleans, where Mr. Carr is associated with the California Company.

Injured When Motorcycle Plunges Into Lagoon

George Riedel, 170 Tenth Street, Oakland, California, and Cecil Rhodes Griffith, El Centro, California, both U. S. Marines, were injured on Tuesday when their motorcycle plunged into the lagoon when they missed the curve at the foot of the overpass near the Bay St. Louis traffic bridge. Fahey's ambulance brought the wounded men to the Kings Daughters Hospital and they were later sent to the Marine Hospital in New Orleans.

Griffith suffered a fractured skull and chest injuries and his condition is considered critical. Riedel's injuries were not serious, it was said. The two young men had rented a motorcycle when their ship docked at Mobile and were enroute to New Orleans.

In the fashion of the Gulf Coast Association we can do much about anything particularly so if that much "or any part of it deals with God, righteousness, fair-play, a square deal and a hope for tomorrow."

9. We seek your earnest and deserving co-operation expressed in your membership application of which appears on the last page of this pamphlet. Dues in the Gulf Coast Association is \$3.00 per year with a special membership arrangement for merchant affiliation reduced in terms of cost per month to the individual member 25¢ per month; 8¢ per week—certainly the price of good citizenship should be worth this.

10. Meetings will be held periodically in Biloxi, Waveland, Gulfport, Bay St. Louis, Ansley, Pass Christian, Ocean Springs, Clermont Harbor, Nicholson Avenue, Pascagoula, Mississippi City, Long Beach, Henderson Point, etc.

11. The Officers and Board of Directors will be made up of personnel from each of the cities along the Mississippi Gulf Coast so that each community irrespective of size will have a voice in the administration of our Association.

—Mrs. C. G. Moreau, spent the past week end in New Orleans, visiting with friends. She returned home on Monday evening.

WOMANS MISSIONARY SOCIETY HOLDS WEEK OF PRAYER SERVICE

The Womens Missionary Society of the First Baptist Church held its Week of Prayer service this week with Mrs. John T. Dearing arranging the program for Tuesday's service which was held at the home of Mrs. David Middleton.

The introduction to the program "Anoint Your Eyes That You May See Yourself and Your Savior" was given by Mrs. Dearing who told where the money for state missions is used—church building, evangelism, pastoral aid, associational missions, ministers retirement, Indian and Negro Work, Negro woman worker, Indian and Negro work, W. M. U. Scholarships.

The devotion was given by Mrs. M. L. Hill and took the vision of Isaiah as the basis for her devotion. The Seven churches and their work were discussed by Mrs. J. C. Kelley, Mrs. A. H. Gregory and Mrs. Claiborne Ladner.

Miss Sallie Pearson gave the closing prayer.

On Wednesday evening a pageant was given by the society setting forth the need of different activities for which the state mission funds are used. Taking part were Mesdames W. A. Moore, Earl Ramond, R. D. Robbins, John T. Dearing, H. Gregory, Michael Nease, David Middleton, H. B. Duckworth, and Misses Ruth Kirt, Mary Favre and Geraldine Middleton. The Men's parts were taken by M. L. Hill, and H. B. Duckworth. Mrs. J. J. Losch sang as a solo, "Open Mine Eyes That I May See" and the program closed with a devotion given by Mr. Dearing, the Pastor.

The program was a credit to a larger church and to the young women whose home duties are multiple. It is this enlightening, inspiring and eye opening program.

Report of Grand Jury Sept. 1947 Term Of Circuit Court

Hon. L. C. Corban, Circuit Judge: We, the Grand Jury, acting for the regular September, 1947 Term of Circuit Court of Hancock County, beg to make this final report.

We have been in session three days and have examined thirty-two witnesses and have returned two indictments.

The only recommendation that we have to make is that the County Jail be given a thorough cleaning, and that storage space be provided for supplies that are standing in the halls of the Court House.

We wish to thank your Honor for your instructions and the other officers of the Court for their assistance.

There being no further business before us, we ask to be finally excused.

Respectfully submitted,

PAT MURPHY,

Foreman.

ENTERTAINS AT LUNCHEON

Mrs. Sidney Gonzales entertained at luncheon and cards at Hotel Reed on Thursday of last week. Mrs. Gonzales and her daughter, Miss Claire Gonzales of New Orleans are guests at the hotel. Others at the party were Mrs. H. Vieth who is at Gray Castle, Mesdames O. Dabec, S. Pratt, S. Stockton and John Judd of Waveland; Mrs. Floyd Stonaker of Natchez and Mrs. Thomas Schaefer and Mrs. H. C. Glover of Bay St. Louis.

BOYS ENJOY CAMPING PARTY

A camping party at Ten Oaks the country home of the Walter Dupaquiers on Friday night. The boys slept under the stars and cooked under the trees and had a glorious time. Those enjoying the evening were Charles Staehle, John Weston, Edw. Dupaquier, Andrea Arceneaux, Hartwell Gex and Jimmy Gilmore.

If you think our teenage boys are wide-awake and up and doing you will be conscious too that they take time out to sleep. At least Gerald Gex entertained a group of them at a slumber party one evening last week at his home but it is only supposed that they slept. Mr. and Mrs. Gex will have to verify that. They report a real good time. Those slumbering (?) were Jerry Kiefer, Bert Stieffel, Charles Staehle, Andrea Arceneaux and John Weston.

ENTERTAINS SUNDAY SCHOOL CLASS

Emile Gex, teacher of the Young Peoples Sunday School class at the Main Street Methodist Church, entertained the class at a Beach Party at the head of St. Charles street on Saturday evening. There was the usual beach party refreshments and attending the party were the host and Betty Lusk, Clyde Creighton, Jean Pritchard, Anne Keam, Myrtle Cook, Tommy Lusk, Jimmy and Fred McDonald, James A. Evans, Jr., Grady Parker and J. H. Johnston.

SELL HANCOCK COUNTY AND ITS POSSIBILITIES TO ITS OWN PEOPLE

IT is our firm belief that every individual in Hancock County is interested in its development. If it were possible to make a survey of the thoughts of the inhabitants of Hancock County we would probably find many diversified suggestions as to what would be the best and most feasible manner to improve business conditions that would redound to the benefit of our people as a whole and would help to build Hancock County.

Of course it is not possible to have the advice of every individual recorded, yet through the Chamber of Commerce and through the Gulf Coast Association which has recently been organized, to aid in the civic betterment of the Coast, we have two organizations where the co-ordinated views of the business men may be expressed and put into action.

In addition to our organized efforts we think that it takes the cooperation of the public officers of our City and County, and of our citizens as a whole to put over the program necessary for the upbuilding of our City and County.

Of course we all speak of bringing some industry into our midst. Yet, perhaps if we only reflected as to the many natural assets that we have in Hancock County, it would not be necessary for us to go about the Country hunting for someone to locate here to furnish a payroll for our people. We are certain that there is sufficient capital in Hancock County to set up any business that its people should desire. It will only take work and cooperation to help find what is needed.

We think that the people of Hancock County fail to realize the possibilities that we have locally. Many of our people do not know and have made no efforts to learn what lies outside of the boundaries of Bay St. Louis. It should be our purpose to first try to sell Hancock County and its possibilities to its own people, and from here out we shall devote our time and energy in this behalf.

If this can be done we can see great possibilities and if we are sold on our own County we will have very little trouble selling it to the other fellow.

Heavy Expenditures Foreseen in County For New Farm Homes

Farm families in Hancock county will spend more than \$279,000 for new housing in the next three to five years, according to a forecast released by the Tile Council of America.

"As a result of high incomes during the last few years, farmers in every part of the nation are prepared to invest record amounts in new home construction and in general farm improvements," said P. B. Ortmann, chairman of the Council's residential construction committee.

Pointing out that the comforts and conveniences of urban living are now available to farm families, Ortmann said that many new rural homes will incorporate such features as water pressure systems, tiled bathrooms and rural areas of Mississippi is making possible the incorporation in new homes of many labor-saving and comfort-providing devices undreamed of a generation ago, according to Ortmann. Rural Electrification Administration estimates disclose that more than 28 per cent of all farms in the state now receive central station electric service.

NOW! Here is a soothing and effective treatment for ATHLETE'S FOOT!

YOU GET ALL THESE HELPS FROM THE START WITH NEURABALM

1—It promptly relieves excruciating pain... FIRST MEETING OF S. J. A. PARENTS CLUB 1947-48 TERM

The first meeting of the 1947-48 term of the S. J. A. Parents Club was held in the den on Tuesday, September 9th, at 3 p. m. Mrs. O. Delph, president, presiding, with Monsignor A. J. Gmelch, Mother Blanche, Sister Raphael and twenty-one members present. After Monsignor Gmelch opened the meeting with a prayer, he gave the ladies a short talk asking the assistance of all the ladies of the parish in accomplishing two purposes.

The first is: finding housing accommodations for some of the hundreds of visitors expected for the Centennial and dedication of Our Lady of the Gulf Church, and the N. C. C. W. convention.

The second: The ladies of the Parish are requested to serve a light repast to the visitors after the dedication ceremonies. He reminded the ladies that all members are automatically members of the N. C. C. W., and greater attendance at the meetings is desired.

Mother Blanche announced that after further discussion by the Sisters, and with some of the parents, the purchase of a bus for the use of the school had been deemed advisable. It was decided that the goal for the Club for the 1947-48 year, will be, working toward the purchase of the S. J. A. bus.

A motion was passed that the S. J. A. Parents Club present Monsignor Gmelch with a check, to help toward the completion of the church.

Mother Blanches donated a beautiful ruby colored crystal bowl, which will be the yearly attendance prize. Each month the ladies present, register and deposit the card in a sealed box, this to be opened at the last meeting of the year. One name will be drawn and the lucky lady will receive the bowl.

Mrs. Rosa Lee Benigno was nominated chairman of the membership drive. She will be assisted by the class mothers, who are asked to make a concerted effort to swell the membership list.

A special meeting is announced in the interest of working for the success of the Centennial. This meeting will be held on Sept. 23rd at 3 P. M., in the S. J. A. Den. All members of the N. C. C. W.; St. Margarets Daughters; the Altar Society, and all ladies of the Parish are invited to attend. A committee to organize the work was chosen. They are Mrs. Roger Boh, chairman; Mrs. Luke V. Saucier and Mrs. O. Delph. In connection with the dedication of the Church and the N. C. C. W. Convention, hundreds of visitors are expected. Local hotels are already reserved, but many more accommodations are needed. Anyone who has a room, which would be available for housing the guests, is requested to contact Mrs. O. Delph. All the ladies of the parish are asked to assist in serving sandwiches and cold drinks to the visitors after the dedication ceremonies. Your time and assistance are greatly needed! If you are interested in devoting a few hours in making this memorable event a success, you are asked to contact Mrs. Roger Boh.

Mother Blanche announced the opening of the S. J. A. Play School on Sept. 15. Tuition will be \$10 per month, with attendance from 9 to 12, Mondays through Fridays. Some refreshments will be served at ten o'clock daily. Children from 4 to 6 will be enrolled. Anyone desirous of enrolling children there, will bring them on Sept. 15th at 9 A. M.

The door prize was divided by the treasury and Mrs. A. C. Mitchell, Sister Collette's first grade won the attendance prize.

After the business meeting was concluded, the hostesses of the day, Mesdames O. Delph, W. J. Crawford, and Wm. Prewitt served refreshments, while old and new members became better acquainted.

Hostesses for the October meeting will be Mrs. L. L. Kergosien and Mrs. H. L. Kergosien.

VERY REVEREND HENRY LEDUC

Pastor—November 17, 1859—August 27, 1897

This is the 2nd of a series of six articles, giving the life history of the Pastors of Our Lady of the Gulf Church.

Rev. Henry Leduc was born in Ingrandes, France, January 1, 1834, and was ordained to the priesthood at Nantes on January 30, 1859. As a student he had volunteered for work on the missions of Natchez, and on March 27, 1859, the Bishop of Nantes, signed an exeat permitting Father Leduc, priest of the Diocese of Natchez, to come to labor in the Diocese of Natchez and remain there.

Father Leduc arrived in Natchez on May 2, 1859 and remained there for some months, and on November 17, 1859, was appointed pastor of Bay St. Louis. Little did he know that this would be his one and only assignment. True enough he founded a church, a rectory, an Academy for girls and a School for boys; but all were in their infancy.

In addition to his missions Father Leduc attended Pass Christian from 1861 to 1863, when Father Holton was transferred to Canton. The Civil War caused many hardships in Bay St. Louis, and the pastor oftentimes exposed himself to danger in order to bring food and provisions to his people.

With the aid of Pierre Prudeaux, the first Altar boy of Father Buteux, Father Leduc obtained food and supplies for his people along the coast.

After the War things improved rapidly. Fr. Leduc's record of Bishop Elder's visitation gives a good description of conditions in the parish: "February 4, 1866—Bishop Elder administered Confirmation. At present the Bishop finds the condition of the congregation very satisfactory in most respects... The Pastor instructs chiefly in French; but catechism is taught in both languages.

"In the summer, with the consent of the Bishop, I had the Church nicely painted; it took two months for four painters to do the work. It cost me \$1700.00. He opened a door in the front of the Church for the use of the Brothers, and this, with some repairs cost \$200.00." Fairs and Concerts were given to raise the money. With these, the pew rent and collections for the year cleared the balance of the debt. So Father Leduc can add the important item: "There are no debts, neither on the Church nor on the house."

The original church built by Fr. Leduc either had no bell tower, or a very small one; so Fr. Leduc decided to construct one. In 1868 the tower was completed. In 1873, Mrs. J. Schiller donated a beautiful bell weighing 1540 pounds.

The Cemetery of St. Mary's was dedicated by Father Leduc on Dec. 22, 1872. Many Catholic families bought lots here and transferred their dead from the Public Cemetery.

On February 10, 1879 three masses were offered in the new church erected on Bayou Binanchoa. On the day the church was blessed and placed under the protection of St. Joseph.

On October 5, 1876 Father Leduc wrote to the Bishop asking for a written permission for the loan of \$1500.00. This was for the rebuilding of the church which was falling in ruin. Bishop Elder granted permission for the work and the loan. On February 28, 1877, Father Leduc wrote to the Bishop: "The work of the church is nearly finished. I hope you will like it. It has added a great deal to the appearance of the church." Thirty years later, Nov. 16, 1907, this beautiful church was destroyed by fire.

In 1879, in the mission field of Father Leduc Bishop Elder confirmed 382. Of this number 49 were converts.

During that time churches were being built in a great number of his missions. In his will, Father Leduc left about \$1000.00 for the erection

of a Chapel at Edwardsville. Fr. Prendergast carried out his last request and St. Henry's Chapel, named after the generous benefactor, was dedicated October 30, 1910.

During his thirty-eight years in Bay St. Louis, Father Leduc had the help of many able priests. Father Huber, an ex-Confederate Chaplain was here in 1868. Father H. A. de Moranges lived at the Bay in 1863 and 1870 while he was in charge of the Missions of Jordan River.

Father Meerschert, in later years Bishop of Oklahoma, was here in 1873 and in 1880. Father Maurel in 1876. Father Charles van Queckelberghe in 1878. Fr. Rene Sorin served as Assistant for three months prior to the time he was made Pastor of Wolf Town, September 13, 1896. Father Alphonse Ketels; the dear friend of Father Leduc was in charge of the parish when Father Leduc made his trip to France in 1897. Rev. C. F. Denis, was an assistant here for only a few months when he died of the yellow fever on October 18, 1897. During the same epidemic of 1897, the Jesuit Fathers O'Shanahan, Bertel and Biever did wonderful work in the parish.

Father Leduc had not visited his native country in 18 years and now the opportunity was at hand. Leaving Father Alphonse Ketels in charge of the parish, he sailed for France toward the end of July 1897. In boarding the ship at New York he hurt his leg. The injury continued to trouble him and at his arrival in Paris, he went to the hospital. Shortly afterwards he became seriously ill and died in Paris on Aug. 27, 1897. He was buried in his native land, August 29, 1897 at his birth place, Ingrandes, France far from his beloved parish.

From the above mentioned litany of accomplishments you may obtain a fair picture of Father Leduc, the builder; now you must meet Pere Leduc, the Good Pastor. Take a ride with him on a day when he hitches up "Kit" to the little buggy. You will notice that he knows every man, woman and child, in the parish; and greets them by their first name. Surely he knows them; he was the priest who witnessed the marriage of their parents; he baptized the children and prepared them for their First Communion; he answered their sick calls, and the way he prayed with the sick, brought consolation to his afflicted children. At one house he stops; for here are two of his children who were recently married by a judge, and the Good Pastor must go after these strayed sheep. Then you hear these fatherly words "Marie, I want you and Etienne to come up to the house and be married properly; you know, my child, God will not bless you if you live like that. And remember do not worry about the money." On Saturday Marie and Etienne would be there; and after the ceremony Father Leduc would get the usual fee, which was "Merci, mon Pere," the Good Pastor never "needed" his flock.

Father Leduc was quite a diplomat. He knew those who could well afford to help, and from these he obtained help. The people knew that he never used the money for himself. His clothes were usually green with age, but he wore them with a princely dignity. On one of his trips from the country you would see him stop at August Keller's Store to buy a pair of shoes. Glance at the edge of the lap-robe and you will see his feet are bare. He had given his shoes to some poor beg-

gar. His generosity kept him poor; his kindness made him loved by all; his zeal made him spend and be spent himself for his children.

Let us look at another side of his character. He liked to play a game of Euchre; and for this purpose he would occasionally invite some gentlemen of the parish to the Rectory. They simply played for pastime; but at the end of the game, the winner received a small glass of wine as a reward for his skill; the loser gets a glass of water, and had to say three Hail Marys as a penance.

Go to a funeral and you will hear him say: "I will offer Mass for the repose of this soul tomorrow morning; try to attend this Mass and offer it for that intention." He realized that so many of the dead would be forgotten, so he gave them at least one Mass.

No wonder then, that the people were broken hearted when they learned of the death of Pere Leduc. The death of Father Leduc was a serious loss to the community. The citizens of Bay St. Louis realized this, and the following resolutions of respect were drawn up; On September 23, 1897.

"Whereas, it has been the Will of Our Almighty Father to call to its eternal rest the soul of Very Rev. Henry Leduc, Our Beloved Pastor

ORTIE THEATRE SUNDAY - MONDAY "THE HOMESTRETCH"

With its exciting love story set to the stirring tempo of thundering hoof-beats and flooded with the thrills and color of the world's greatest racing classics, "The Homestretch," Twentieth Century-Fox's new Technicolor hit starring Cornel Wilde and Maureen O'Hara, opens Sunday and Monday at the Ortie Theatre.

The film reveals the story of a boy and a girl whose conflicting personalities catapult them into a race across the world in search of the thrills of the turf which welds their turbulent romance into a truly great love. In filming the picture, no expense was spared in capturing the gripping drama and colorful spectacle of the sport of kings against which the unusual romance is unfolded.

Some of the greatest racing scenes ever recorded are included in the picture with the camera visiting eleven world-famous race tracks including Ascot in England, Palermo in South America, and Churchill Downs, Jamaica, Aqueduct, Hollywood Park, Santa Anita, Belmont, Hialeah, Arlington and Saratoga in the United States. In addition the Ascot Gold Cup, the Gran Premio Nacional, the Kentucky Derby and other racing classics highlight the picture's absorbing and fast-moving action.

Cornel Wilde, who won such wide acclaim for his outstanding portrayals in "Leave Her to Heaven" and "Centennial Summer," assays another completely different type of role in "The Homestretch."

Cornel's love interest is "titian-haired Maureen O'Hara, who plays the part of Leslie Hale, a member of a dignified, reserved Boston family, who finds herself propelled into the dizzy pace and haphazard life set by Jock and his race track cronies. Once again, as in "Do You Love Me" and "Sentimental Journey," the beautiful Maureen, generally seen in period costumes, has the opportunity of playing a modern girl in a dazzling modern wardrobe.

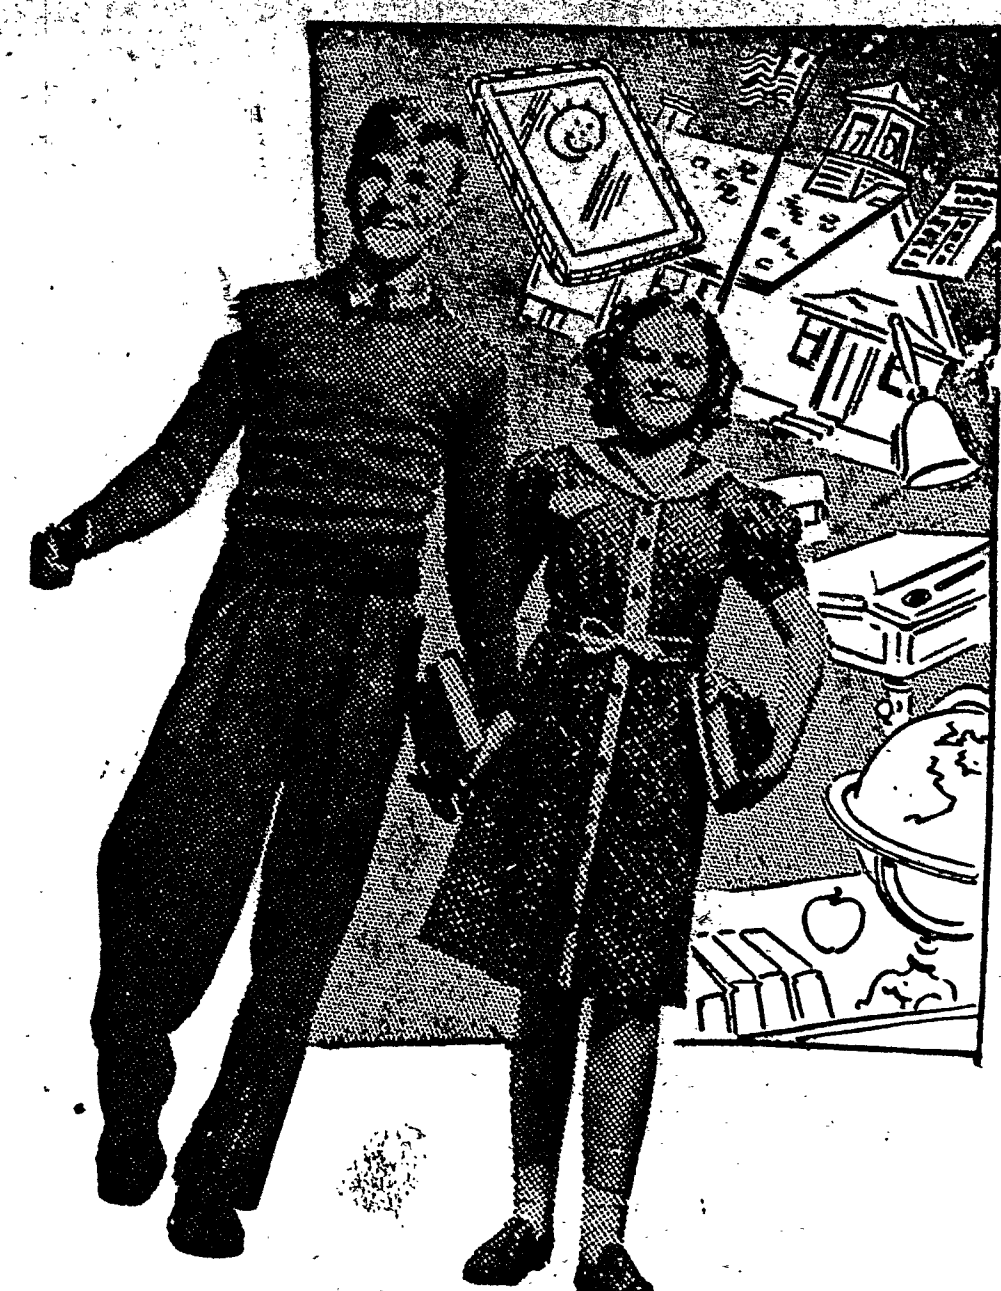

His generosity kept him poor; his kindness made him loved by all; his zeal made him spend and be spent himself for his children.

Let us look at another side of his character. He liked to play a game of Euchre; and for this purpose he would occasionally invite some gentlemen of the parish to the Rectory. They simply played for pastime; but at the end of the game, the winner received a small glass of wine as a reward for his skill; the loser gets a glass of water, and had to say three Hail Marys as a penance.

BACK TO SCHOOL FUTURE SECURITY

Education and savings go hand in hand

You want them back in school every Fall right up through college but the future is uncertain and sometimes the best plans fail because they lack material investment and hard-headed practicality. A better way is to have young children help themselves with their own savings plan.

Being thrifty is fun and has meaning when it becomes personally understood. Children soon realize the value of independence and become increasingly ambitious. The pride in watching a savings account grow gives character and integrity.

and Friend now therefore be it resolved that we, in behalf of the entire community, whose privilege it was to know, love and admire our lamented friend, hereby express our heartfelt sorrow.

Be it further resolved that whereas on Monday Next, September 27th, 1897, at 9 o'clock A. M., a Solemn High Mass for the repose of the soul of Very Rev. Henry Leduc will be celebrated at the Church of Our Lady of the Gulf; out of respect to his memory the merchants and all others are requested to close their places of business during the ceremonies. The Board of Mayor and Aldermen; the County Officials and all citizens irrespective of sect or creed are invited to be present.

Father Leduc cared little for mun-

dane honors, but it was only fitting that his long years of faithful service should receive some recognition. He was appointed Honorary Canon, and the investiture took place at a Pontifical Mass in April 1890. He was also appointed Counselor of the Diocesan office he held until the time of his death.

Fifty years have passed since the death of Father Leduc, but he is still loved by his children. Even to this day you will hear the older members of the congregation say, with a feeling of pride: "I was baptized by Pere Leduc!" thereby leaving you under the impression that this was a distinctive honor, and a special unktion was imparted by the ministrations. His cause has never been submitted to Rome, but he has long since enjoyed domestic canonization at the hands of his loving children. The poet Campbell has said: "To live in hearts we leave behind, is not to die." If this be true, then Father Leduc is not dead, for his memory is still enshrined in the hearts of his children.

PROOF OF THE PUDDING

I've always heard it said that the proof of the pudding is in the eating. And the proof of the results obtained through the self-regulation program of the Mississippi Committee of the U. S. Brewers Foundation is that beer, the beverage of moderation, is available in wholesome surroundings.

That hasn't always been true. In fact, before the brewing industry launched its educational and self-regulation program there were a few retailers who failed to recognize their responsibility to the community.

The Mississippi Committee of the U. S. Brewers Foundation, directed by W. W. Pierce, is constantly on the alert to see that those who sell beer meet every requirement of the law and observe all the rules of public decency. The few who refuse to do so lose their permits to sell beer.

By Jimmy, that's what I call 'the proof of the pudding.'

History of The Bay St. Louis Baptist Church

Of Bay St. Louis, Mississippi

By W. W. STOCKSTILL

The history of the Baptist work in and around Bay St. Louis is fragmentary and difficult to obtain. The present organization dates back to 1896. However, from the historical sketch of the work of the Baptists on the Mississippi Gulf Coast published by Rev. O. D. Bowen in 1922, it appears that the first Baptist church ever preached in the town of Bay St. Louis was in February 1886 by Rev. Benjamin Whitfield, and that a church known as Elim, a short distance back from Bay St. Louis, was constituted in 1858 with fourteen members equally divided between whites and blacks with Eld. W. H. Varnado of Hancock County as the first Pastor. The war, of course, brought about a separation of the races, and it is further stated in this sketch that this church was dissolved at the suggestion of Rev. J. B. Hamberlin, a missionary Pastor appointed by the State Mission Board and re-organized by him in Bay St. Louis on May 20, 1877 with eight members.

This was the first Baptist church ever located in this city and it is stated that Alton J. Whitfield was the first person ever baptized here, the ordinance being administered by Eld. Hamberlin in May 1877.

From another booklet published by Brother Bowen in 1911, giving a history of his life and ministry, it appears that this church was still in existence as late as 1882. From this little book and other sources we learn that there was Baptist preaching here at intervals perhaps in the Methodist Church, by Brother Bowen and other missionaries sent out by the State Mission Board from that time until the present church organization was formed.

On August 2, 1895, Rev. J. J. W. Mathis, a State Board Missionary, acquired from Mrs. Jean N. Seal for a consideration of \$75.00 a lot of land measuring two hundred and fifty-three feet on Easterbrook Street by seventy-three feet on Toulme Street, and immediately began the erection of the present church building. The building was perhaps in the course of construction at the time the deed was executed. This deed was taken in the name of H. L. Pledger, H. M. Grann, William Sylvester, Mary Z. Lampkin and J. J. Mathis.

City of Bay St. Louis, and their successors in office. Evidently the number of Baptists in Bay St. Louis at that time was very small, as it is known that one of the trustees named was of another faith and another perhaps not member of any church.

By the spring of 1896 the Church building was almost complete and partially seated with second-hand chairs which had been donated. About the first of April 1896 Brother Mathis secured the services of Rev. L. N. Brock of Mobile, Alabama, and held a meeting of several days duration. At the close of this meeting two people were baptized and a Church organized with about ten or twelve members. The record of this organization has been lost or destroyed and we have been unable to ascertain the names of all those who entered into the covenant.

It appears that the funds and the material gave out before the building was fully completed, for the records of one of the justices of the peace of Bay St. Louis show that on June 25th, 1896, a suit was filed against the Church by the contractor to establish a mechanics lien against the building and grounds for a balance due on the contract. On November 9th, 1896 a judgment was rendered in this suit for \$189.37 and court cost, and the property ordered sold to satisfy this amount. This judgment was later satisfied and the lien cancelled perhaps with funds raised by a general appeal to the denomination through the State.

We do not know exactly when Brother Mathis left the field, but from 1897 until the close of the year 1898 a man whose name we have been unable to ascertain and Rev. James G. Sibley who lived at Napoleon in Hancock County held services once a month for a few months each as missionaries of the State Mission Board.

From the close of the year 1900 to the beginning of the year 1903 there were no services. During this period and continuing until early in 1904, the Church building was rented and used by the Episcopal congregation, the rent money being used perhaps to pay a balance due on the Church organ and to repair broken window glasses. This appears to have been done by individual members of the Church rather than formal church action.

On November 27, 1902 at the close of a service, which Rev. J. B. Searcy of Biloxi had been requested to hold, and which was held in the Methodist Church, the "Baptist Church was re-organized" with about six members entering into this organization. This was in effect practically a new organization. However, it appears that by common consent rather than by formal Church action this organization was considered a revival of the former one and that all who belonged to either were recognized as members of the Church. Among those entering into this organization was Rev. C. L. Corwin, a northern man, who came to Bay St. Louis from the Pacific Coast. The Church as re-organized extended a call to him to become its pastor. He accepted the call and held two services a month during the year 1903.

the State Mission Board paying the larger part of his salary.

From the close of the year 1903 until the beginning of the year 1913 there were several breaks in the service, as much as a year or two at a time. During this period the following Missionary pastors served by appointment from the State Mission Board: Rev. M. E. Hulbert of Catawba; Rev. J. L. Finley in 1906; in 1907 there were no services except a week's revival meeting was held by Rev. W. N. Swain of Meridian; Rev. Webb Brame of Long Beach in 1909; Rev. B. L. Mitchell, who succeeded Brother Brame at Long Beach, in 1910 and part of 1911.

In 1905 while there was no regular services being held there was some agitation of the question of selling the church property and abandoning the organization entirely. To forestall this some of the members invited Dr. W. C. Grace pastor of the First Baptist Church at Gulfport to hold a service and a resolution was adopted electing Dr. A. V. Rowe, corresponding secretary of the Baptist State Convention Board and his successors in office as sole trustee of the Church, and declaring that the property should never be sold or disposed of in any manner without the consent of the Convention Board, it being in a sense mission property having been paid for largely with funds collected from the denomination throughout the State. This resolution has never been rescinded or revoked as far as we know.

At the beginning of the year 1913 Rev. Carl M. O'Neal took charge of the work by appointment from the State Mission Board and served the church half-time until the close of the year 1914, and it has ever since maintained half-time services except part of the year 1925. Upon his arrival on the field Brother O'Neal began collecting the necessary funds, and soon had the Church building completed, painted and seated as it stands today, except new roof added in 1935.

During his second year Brother O'Neal succeeded in having a baptistry built in the church. This was dedicated by a short and somewhat informal prayer service, but the Church building has never been formally dedicated so far as we know.

Since the close of the year 1914 the following have served as pastors: Rev. J. W. Weathersby of Silver Creek in 1915; Rev. H. C. Roberts from Biloxi from 1916 to the close of 1920; Rev. J. S. Johnson from the Baptist Bible Institute, New Orleans, Louisiana, in 1921; Rev. W. A. Mur-

ry from Foxworth in 1922; Rev. B. F. Whitten from Coldwater in 1923 and 1924.

Following the resignation of Brother Whitten the State Board withdrew its help and the Church was without a pastor for a month or two, but Rev. J. G. Gilmore of Osyka, Mississippi, accepted the work March 1, 1925 and supplied one Sunday in the month from Osyka, during the remainder of that year. In 1926 the State Board again extended help for that year only and Brother Gilmore moved on the field and the Church resumed half-time services. He resigned about the first of September 1928 and the Church was without a pastor from that time until the beginning of the year 1929 when the present pastor, Rev. W. S. Allen, moved to Pass Christian and took charge of the work. Under his leadership help was again secured from the State Board, and during the years of his faithful services there has been a more permanent growth.

The present membership is ninety-two. This would indicate very slow growth, but the membership is more or less floating. People move here and remain a short time and then go somewhere else, and either take their letters with them, or are finally dropped from the rolls because they are lost sight of and cannot be heard from.

During the year 1925 it was proposed to sell the unused portion of the Church lot for commercial purposes. There was some opposition to this, but a motion to accept \$250.00 for the lot finally prevailed and the property was disposed of without the consent of the State Convention Board. The treasurer was by vote of the Church instructed to place the money in a bank at 4% interest to be kept for a building fund, either for a new Church or pastor's home, but we understand it was used for other purposes within a year or two after it was collected. Since the Church first began regular half-time services there have been a number of outstanding and

The BIG little thing

Your telephone is so small you can hold it in your hand; so big it can carry your voice across the world.

To furnish you with the kind of telephone service you desire, Southern Bell secures the best in telephone equipment from the Western Electric Company. Its association with the American Telephone & Telegraph Company provides nation-wide and world-wide long distance facilities and use of the famous Bell Laboratories for research purposes.

These advantages, plus service connections with other Telephone Companies throughout the country, make it possible for Southern Bell to serve you at a moment's notice—any time, any place, for business or pleasure, casual calls or life-or-death emergencies.

Yes, your telephone is a big little thing—big enough to dissolve barriers of time and distance—little enough to be a friend and neighbor in your community.

Emergency Certificates Issued To Teachers

Jackson, Miss., (Sept. 6, 1947), (Special)—The State Board of Education has authorized the issuance of Emergency Certificates for teachers during the 1947-48 school session, according to J. M. Tubb, State Superintendent of Public Education. Mr. Tubb states that this action was taken following a survey of the teacher personnel of the public schools. The teacher shortage continues, states Mr. Tubb. These licenses are issued on the same basis as during the past two years, valid only one year and not renewals. Letters have gone out to county superintendents of education and superintendents of separate school districts with suggestions for securing these licenses where needed.

A Teacher Placement Service is maintained in the Division of Education, State Department of Education. Teachers interested in securing a position, or school administrators needing teachers, may file requests for this service and if positions are available or teachers registered, placements can be made. Mr. Tubb calls this service to the attention of all parties concerned with the suggestion that correspondence relating to this service be addressed to Mrs. Anna Belle Hawkins, Supervisor of Teacher Certification, State Department of Education, Old Capitol, Jackson.

Parochial Schools Lunch Rooms to Open Monday

The Parochial Schools Lunch room, sponsored by St. Margaret's Daughters, will open on Monday, September 15 in the Girl Scout Rooms on Second Street.

CARD OF THANKS

I wish to express my thanks to the people of Beat No. 1 for the support I was given in the first primary. Unfortunately I did not receive enough votes to allow me to enter the second primary. However, it was very considerate of the voters to allow me to make a fair showing since it was my first time to run for public office and I was not so well acquainted in the upper part of the beat.

Respectfully,
E. G. KELLY.

QUESTIONS AND ANSWERS

Q—I have been drawing \$57.50 each month from my \$10,000 War risk insurance policy since my discharge from the Army after World War I. Are such payments discontinued when the \$10,000 is exhausted?

A—No. Payments may be continued for the remainder of your life provided your total disability remains unchanged.

Q—How often can I get on the rolls to receive unemployment allowance?

A—You may be placed on the rolls to receive unemployment allowance as many times as necessary until you have exhausted your period of entitlement.

Q—Why do I have to pay two monthly premiums instead of one when I reinstate my National Service Life Insurance policy?

A—One premium is for the 31-day grace period following the date of lapse, during which the insurance was continued in force without payment of premium; the other is for the current month of the reinstatement.

Q—If I use part of my Armed Forces leave bond to pay my insurance, can I receive the balance in cash?

A—No. The remainder of your bond is placed to your credit until such time as it becomes payable in cash, or you authorize further premium payments from the balance of your credit.
